Advance-Nilfisk Parts - Imagine how tedious it would be to tidy up your very own home right after throwing a large party, with no assistance from cleaning equipment. Back in the day, the time upholstery and carpets had the dust beat out of them manually; brooms, cleaning cloths and brushes were the leading cleaning materials during that time.

The man who established Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who liked to work on electrical motors. After starting his business in 1906, he began to make motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's dream from the beginning was to own a worldwide company advertising merchandise worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and can be operated by a single person. This invention came in a time where numerous cleaning equipment were massive and needed at least 4 operators, hence, the Nilfisk C1 changed everything and evolved the way we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment offer a brilliant solution to an existing dilemma; things get filthy and must be cleaned frequently, without a lot of effort.

Slowly, the business Nilfisk-Advance developed throughout the years. In the early nineteen eighties the company developed more rapidly when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the business, trying to be an active international player in manufacturing professional cleaning machines. Nilfisk-Advance is now represented in every part of the globe by steadily acquiring lots of smaller companies in order to expand their product range and presence in new markets. They are really proud to present a range of cleaning solutions to meet every requirement.
